

Children's Rights Policy

CHILDREN'S RIGHTS POLICY

Anemi Hotel condemns all forms of child exploitation. Anemi Hotel does not recruit child labour, and we support the elimination of exploitative child labour.

We also support legislation enacted to prevent and punish the crime of sexual exploitation of children. We will work to raise awareness concerning such exploitation and will cooperate with law enforcement authorities to address any instances of exploitation of which Anemi Hotel becomes aware.

Our staff are informed about the department of Domestic Violence and Child Abuse office in Cyprus, tel 22808442 and its actions.

Actively we support and participate in a children's local shelter as a chairman of the committee, offering

Shelter, food and healthy environment for 100 children while their parent is at work throughout the year.

We are dedicated to respecting fundamental human rights and to continued dialogue on the principles set forth in this statement as we fulfil our vision as a company.

On Behalf of the Management,

Evelyn Kleanthous Komodromou
Executive Director
